

## **Join Our Team – Illinois Certified Polygraph Examiner Needed**

[COPS and FIRE Testing Service](#) is actively seeking an Illinois Certified Polygraph Examiner to join our growing team in Schaumburg, Illinois.

If you are looking for a flexible, rewarding opportunity with strong earning potential and a respected company in the public safety testing industry, we would love to speak with you.

This position is available immediately and offers exceptional flexibility, including full-time or part-time opportunities with weekday, evening, and weekend availability. Whether you are looking for a primary position or an excellent secondary source of income, this opportunity allows you to create a schedule that works for you.

### **Why Join Our Team?**

- Flexible scheduling tailored to your availability
- Strong and growing demand for services
- Unlimited earning potential based on your availability and desired workload
- Administrative support provided by our experienced staff
- Digital reporting process already established
- Opportunity to work with law enforcement, fire service, and public safety agencies throughout Illinois
- Professional, fast-paced, and supportive work environment

### **Compensation**

- Compensation is negotiable and may be discussed based on experience and availability
- Typical appointment length: approximately 1–2 hours

### **Position Overview**

As a Polygraph Examiner with our team, you will primarily conduct standard LEPET pre-employment examinations utilizing a three-question format for law enforcement, fire, and public safety candidates.

Our office handles scheduling, candidate coordination, and preparation/distribution of digital reports, allowing you to focus on conducting examinations professionally and efficiently.

Due to increased hiring activity among our clients, the need for qualified examiners continues to grow.

All polygraph data and documentation must be submitted within 24 hours following the examination.

### **Qualifications**

Qualified applicants must:

- Be licensed/certified in the State of Illinois
- Own your own laptop and polygraph equipment
- Have strong typing proficiency with solid foundational computer skills
- Maintain reliable internet access
- Be able to type notes while conducting interviews
- Demonstrate professionalism and confidentiality at all times
- Possess strong verbal and written communication skills, with the ability to effectively interact with candidates, clients, and company personnel via email, phone, and in person
- Have the ability to integrate effectively within our team culture and perform successfully in a professional, fast-paced environment

### **Ready to Join Us?**

If you are motivated, professional, and looking for a flexible opportunity with excellent earning potential, we encourage you to apply today. Immediate opportunities are available.
